The background is a dark blue gradient. On the left, there is a complex network graph with white nodes and thin white lines connecting them. On the right, there is a pattern of white hexagons, some of which are filled with a grid of small white dots. A series of white lines, some straight and some curved, cross the bottom of the image.

Crypstone is leveraging on the power of the blockchain to make global remittance and cross border transactions easy. One of the visions of Crypstone is to create use-cases so you can spend your CST COIN and other cryptocurrencies in your local shops and online shopping malls just as you can buy things with your Fiat.

Crypstone designed the CST PACK to enable crypto enthusiasts maximize their profits from their adoption of the disruptive technology.

Each Cst pack is a one year contract with the company where you vault your CST COINS with us and earn 5 CST COINS daily for 365 days.

**One CST PACK costs 1,200 CST.**
